Somerset Health Care Team
Key to your success.

SOMERSET
Health Care Team/CPAs

We understand
the business
of medicine.

The **Somerset Health Care Team** is comprised of over 25 professionals that work exclusively with health care clients. We provide the following services and much more to physician groups, ambulatory surgery centers, hospitals and health organizations nationwide.

- Nationwide Health Care Consulting
- New Center Planning & Project Management
- Joint Venture & Ownership Structures
- Succession/Strategic Planning
- Operations Reviews
- Governance & Income Distribution
- Payer Contracts & Fee Schedule Analysis
- Service Line Co-Management
- Orthopaedic-Specific Benchmarking & Forums
- Feasibility Studies
- Valuation of ASC Units
- Revenue Cycle Issues
- Licensure/Certification/Policies & Procedures/Accreditation
- Cost Segregation Studies
- HITECH Physician Incentive Services

Visit us online for our blog, e-newsletters and much more:

www.SomersetHealthCareTeam.com

Somerset is a proud sponsor of American Academy of Orthopaedic Executives. Our presentations and panel participation at the 2009 conference include, Income Distribution Methodologies; Practice Mergers, the 90's Revisited? and Orthopaedic Ancillaries Update on Financial/Operational Benchmarks and Regulatory Developments.

Please contact one of our professionals to discuss these topics and how our services can provide value to your practice.

The David Demchuk Presidential Grant Award

The AAOE is please to provide the 2009 David Demchuk Presidential Grant Award. This \$500.00 award has been established in recognition of David's accomplishments during his term as the AAOE President from 2007/2008.

The Presidential Grant Award recipient is: **Michael McMillan, Silver City, NM**

Social Events

"Austin City Limits" Reception Sunday, May 3 • 7:00 pm

The theme of this reception is the "flavor" of Austin. Flavor through food, music and fun! The event will take place at the University of Texas Alumni Center. A delicious menu is followed by a musical adventure. Start with the Dueling Pianos; they will astound with their song knowledge and skills! Next see the Groove Labs, a band that will make even the shyest person get up and sing. Feeling lucky? Check out the Texas Hold Em' table and play a few hands. (Shuttle service provided.)

Exhibitor Reception Monday, May 4 • 5:00 – 6:00 pm

Every year our Exhibit Hall seems to get bigger and bigger. Vendors have come to see you! They have products and services they want you to know about as well as new projects on the way. Please stop by and talk with our vendors as they are there to demonstrate and explain these services to help you operate and manage at the level of quality your physicians have come to know and expect.

"Cinco de Mayo" Reception (Raffle Winners Announced)

Tuesday, May 5 • 5:15 – 7:00 pm
Hilton Hotel

A perfect theme for the 5th of May...connect with members and enjoy a specialty Margarita along with some chips and salsa, quesadillas, etc. For the third year, we will hold a Raffle. Prizes will be announced at this reception so please make sure you attend. Last year we raised over \$5,500 for the Orthopaedic Research and Education Foundation. Our goal for 2009 is to raise \$6,000 to benefit Dell Children's Medical Center of Central Texas through the Children's Medical Center Foundation of Central Texas.

2008-2009 Board of Directors

Glene Wolfe
Lorraine Woods
Dave Zauha
Melissa Zediker

Networking Opportunities Connections

Conference Connections

One of the AAOE's mission is to "encourage Connections to and between members, non members and, physicians and affiliated groups." At the Annual Conference these are many ways to connect:

Connections By Region

A great deal of what orthopaedic practice executives do happens at the local, state and/or regional level. Legislation and reimbursement issues can vary greatly especially in these uncertain times. Meet with members in your state and in neighboring states to discuss what is happening in their arena and find real time solutions to these specific issues and concerns. The regions are as follows:

Region I – New England

States include: ME, NH, VT, MA, CT, RI

Region II – Mid Atlantic

States include: NY, NJ, PA

Region III – East North Central

States include: OH, IL, IN, WI, MI

Region IV – West North Central

States include: MN, IA, MO, NE, ND, SD, KS

Region V – South Atlantic

States include: FL, VA, MD, DC, WV, GA, NC, SC, DE

Region VI – East South Central

States include: KY, TN, AL, MS

Region VII – West South Central

States include: AR, LA, TX, OK

Region VIII – Mountain

States include: MT, NV, CO, UT, AZ, WY, ID, NM

Region IX – Pacific

States include OR, WA, CA, HI, AK

Connections by Group Size

These sessions are facilitated by peers in the same group size. It has been said that these are the most meaningful connections any attendee can make at the conference. Attend the session appropriate for your current situation, or if you plan on expanding you may want to attend the session for where you plan to be.

- Solo Practice
- 2-3 Physicians
- 4-6 Physicians
- 7-9 Physicians
- 10-15 Physicians
- 16-25 Physicians
- 26+ Physicians
- Academic

Connections by Anatomy

New this year! A chance to talk with your peers about issues more specific to issues as they are broken down by anatomy. Attend one of these four sessions: Sports Medicine, Spine, Lower Extremity and Upper Extremity.

Continuing Education Credits

We have three approved providers for CEU Credit. The forms and/or certificates are available on the Flash Drives distributed at the meeting and also on our website. The providers are:

- ACMPE – The American College of Medical Practice Executives
- AAPC – The American Association of Professional Coders
- BOC/NATA – Board of Certification for Certified Athletic Trainers

Credit hours are granted upon review of the program and course descriptions submitted by the AAOE, and is intended to verify the content, relevance and number of instructional contact hours only.

Paperless Meeting

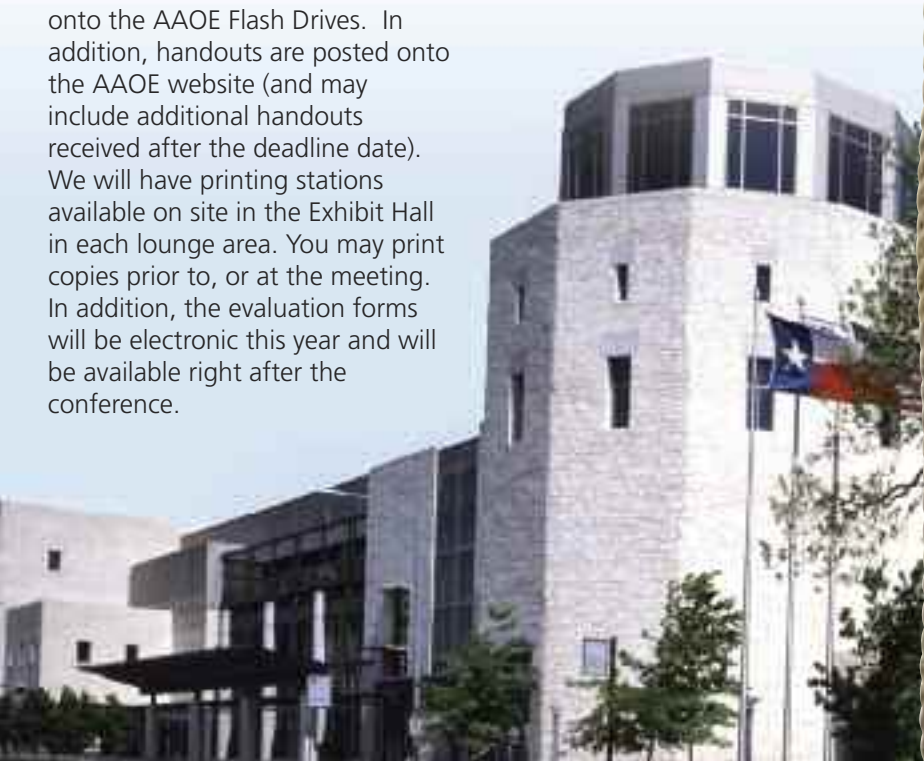

Most handouts have been loaded onto the AAOE Flash Drives. In addition, handouts are posted onto the AAOE website (and may include additional handouts received after the deadline date). We will have printing stations available on site in the Exhibit Hall in each lounge area. You may print copies prior to, or at the meeting. In addition, the evaluation forms will be electronic this year and will be available right after the conference.

Audio Recordings – Rollin' Recording

Recordings for most of the educational session will be available. All the recorded sessions will be available on one convenient MP3 CD. You can have the AAOE sessions available for quick reference close at hand on your computer. Recording services once again provided by Rollin' Recording.

Laptop Port/Charger

We have a Laptop Port available incase you need to plug in your laptop. In addition, we have an Automated Charging Machine that can charge your cell phones, iPods and PDAs. Both of these additions are located in the Exhibit Hall.

SAVE THE DATE

It's So California! May 2-4, 2010

In the center of Southern California, Anaheim/Orange County is the center of fun, the center of attraction, the center of style and the center of attention. All eyes are on Orange County as the area is now popularized by a variety of hit television shows, including FOX's The OC. Beyond the glitz and glamour, the OC has even more to offer travelers.

Orange County, California continues to develop as an exciting and trendsetting destination. The real OC features an array of sights and experiences, including championship golf courses, world-class shopping, trendy restaurants and nightlife, unique arts and culture, inviting beaches, posh resorts and a collection of the ultimate family attractions.

Warm sunshine, swaying palm trees and breathtaking ocean views create a relaxed Southern California lifestyle where shorts, sandals and sunglasses are always in season. Come experience Orange County and see for yourself why "It's So California!"

*Partnering with OHOW to
Invest in the Future of Orthopaedic Healthcare*

"We were looking for a company that could help us get our project moving quickly and provide a complete solution. From concept to completion of construction, Cogdell Spencer ERDMAN was able to do just that. In spite of significant interruptions and complications resulting from Hurricane Katrina, they completed the project on time and on budget."

Brian J. Cramer
CEO, Orthopaedic Hospital of Wisconsin
